

AWARDS OF RECOGNITION AND APPRECIATION NOMINATION NOTES & GUIDELINES

All nominations can be made by anyone associated with Girlguiding Lincolnshire South but should be made **without the knowledge of the nominee**. District or Division Commissioners (as appropriate) should be made aware of the nomination (though there is no requirement to send them a copy of the form).

The County Awards Committee will consider all nominations and will make recommendations to the County Commissioner about each individual case. All nominations will be considered on their own individual merit. The County Commissioner will make the final decision.

If it is essential that an award be considered at short notice, applications with a covering letter should be sent to the Awards Chair. Following a decision the nominator only will be told the outcome.

Awards which can be given from County include:

Thanks Badge

This award is open to anyone giving service to Girlguiding Lincolnshire South County including Young Leaders, Guiders, Commissioners, Unit Helpers, non-uniformed appointment holders, Trefoil Guild members, and supporters without an appointment.

Any member of Girlguiding can present a Thanks Badge as long as they've discussed it with a Leader or Commissioner.

Anglia/County Thank You Certificate and Badge

The certificate and badge are designed to thank any member, adult or child, or non-member who has positively impacted Guiding. There are no parameters or criteria for this particular certificate as everyone deserves a thank you.

Good Service Brooch

This brooch may be given to an adult member of Girlguiding for excellent service to Guiding. For instance it could be someone identifying a Guiding need in their locality and by using their own initiative has worked to fulfil that need or someone who organizes an event on behalf of the County or a one-off event in their locality, showing outstanding skills and service during that time.

County Imp Award

The Imp is the highest award within the County. This award is open to an adult on the Girlguiding database with a role in Lincolnshire South in any capacity. The award should be for exceptional service and commitment in or to the County.

Please send your completed application form (preferably as a PDF) to Awards Committee Chair - awards@gglinccssouth.org. **Deadline for our annual awards ceremony is 30 September.**
