

Minsk Themed Evenings for Rainbows, Brownies, Guides and Senior Section

To mark the 25th Anniversary of our 'Lincs to Minsk', I have put together Minsk themed evenings for leaders to download and run themselves in their unit. Resource boxes are available to borrow from the Minsk Coordinator.

Most of the activities have been taken from 'The Belarus Activity Pack' produced in County some years ago. This is still available for a donation to the Minsk Fund.

Please support our fundraising by using the programmes and buying one of the new fundraiser badges for each of your girls. They cost £1.20 each plus postage.
